ORDER:

It appears that the petitioners are dealers in pesticides. They applied for renewal of their dealership licenses on 29.3.2004, 29.9.2004 and 07.10.2004. But it is their grievance that the applications are not being received for renewal as required under the Insecticides Rules, 1971.

2. The counter-affidavit filed by the second respondent reveals that though the respondents are the competent authority to renew the licenses, but unless complete

documents are accompanied the renewal application, the same cannot be entertained.

3. In view of the above, without expressing any opinion on merits, the petitioners are directed to re-submit their applications for renewal of their dealership licenses along with all the documents as required under law. On making such applications, the respondents shall consider the same and if there are any deficiencies, the same shall be pointed out and communicated to the petitioners for being complied with. On complying all the requirements, the respondents shall consider the renewal of their licenses held under Insecticides Rules, 1971.

4. With the above direction, the writ petition is disposed of. No costs.
